TERMS & CONDITIONS FOR SELF-SERVE

Standardbred Canada shall not be liable for any losses or damages in the event that a horse entry submitted by a trainer in the Self-Serve program is lost in the transmission or entered into the incorrect condition or racing event.

Persons using this service are solely responsible for ensuring that their horses meet the eligibility requirements of the race conditions that their horses are entered in.

Under no circumstances will Standardbred Canada be liable to any user of this service.

USERNAME AND PIN CODE

In order to use Standardbred Canada's Self-Serve, you are required to register with your Member Number and a Gmail Address. Once you make a registration submission, it will take up to two business days to receive your authorization code. The authorization code will grant you access to Self-Serve.

Standardbred Canada reserves the right to cancel or suspend your Credentials and to suspend, cancel or terminate your account, your use and / or your access to the Self-Serve site, or any services, for any reason whatsoever and at any time at their sole discretion, without notice and without liability to you in accordance with the Terms.

Standardbred Canada is under no obligation to verify the actual identity or authority of any party using the Credentials to access or use the site. You are fully responsible and liable for the confidentiality and security of your Credentials as well as for any activity resulting from the use of your Credentials, including any and all use or misuse of the Credentials which may result from your disclosure of the Credentials. You assume sole responsibility for any activity resulting from the use of your Credentials by anyone.

INTERNET BROWSER

You are advised to use Firefox or Google Chrome whenever possible.

Standardbred Canada shall not be held liable for any damages relating to the use of the Site and problems with the display caused by your internet browser. You agree to access the Site using hardware that does not contain viruses and with an up-to-date browser.
