OHHA represents over **4,300** members as a liaison to race tracks, Standardbred Canada, the Ontario Racing Commission, and the provincial and federal governments.

**We offer extensive benefit programs for horsepeople, including:**

**Liability Insurance** (Included in membership)

**Fire/Transportation Insurance** (Included in membership)

**Health/Dental Insurance** (Free for qualified grooms/caretakers)

**Supplemental Disability Insurance** (Included in membership)

**OHHA Group Retirement Program** (Open to all qualified standardbred horsepeople)

**As the collective voice of Ontario's standardbred horsepeople, OHHA would like to offer a message to everyone involved in our industry...**

*We'd like to wish you and yours a safe and successful holiday season. All the best of racing luck in 2010!*
