## John Fielding

(NEW IMAGE MEDIA PHOTO)

*Did you recently watch Tie Domi compete in The Battle of the Blades?*

Yes I did – and I was very, very proud to be his good friend. I think all those guys – considering where they started and where they ended up – were very impressive.

*What would be your first move if you took over for Brian Burke as GM of the Leafs?*

I would hire Brian Burke. He's the right guy.

*Canada has one shooter to take part in the shoot-out to win Gold in Vancouver... who do you choose?*

Steve Stamkos

*John Fielding has one driver to list to drive for him in a \$5 million race...who do you choose ?*

I would let the trainer pick -- the trainer is with the horse every day. And if it was a bad decision, at least I could blame somebody for making that choice!

*Would you rather see betting exchanges come to North American racing or have the current pari-mutual system remain?* I think that there is room for both – betting exchanges are here now.

Canadians are using them – it's just that no one is benefiting from it, except for the owners that are in another jurisdiction. It would be great for growth, but some legislation would have to change.
