Season's GREETINGS.

Much appreciation to all the owners that entrusted Stutzman Stables Inc. with training and managing their valuable horses. You made it possible to have another fine year.

Special thanks to our great staff (Donnie MacDonald, Kathy Montgomery, Kendra Johnson, Dennis Coole & bookkeeper Catherine Whittaker) who put in all the hard work and long hours behind the scenes to produce winning results.

Many thanks to all of our catch-drivers who drove our owners' horses to their full potential.

Appreciation to Dr. Don Furness, John Carter, Frank O'Toole and all the tradespeople and suppliers for their reliable and worthwhile contribution.
