

*Merry Christmas!*

Thanks to my owners & trainers  
for another great year in 2009.

Alfie *Carroll*

My Thought For Racing For 2010: "There exist limitless opportunities in the racing industry. Where there is an open mind, there will always be endless possibilities. Our future rests not in our hands, but deep within our minds."

Thanks to all my owners, drivers and horses in 2009. Special thanks to the stable backbone, the quickest n slickest!

Nicholas Boyd
