CONDITIONS OF SALE

APPLICABLE LAW: All horses in this sale are offered according to the laws of the Province of Prince Edward Island. There is no warranty implied by the auctioneer or the consignor except as set forth herein as to the merchantability or fitness for any particular purpose of any horse offered for sale. The right to bid is reserved for all consignors unless otherwise announced.

BIDDING PROCEDURE: The highest bidder shall be the buyer. The auctioneer reserves the right to reject any or all bids. Successful bidder shall forthwith sign the Acknowledgement of Purchase. It is understood, as between bidder, the auctioneer and the Island Standardbred Sale that the designation of "agent" shall be of no force and effect and that the next bidder shall be liable for payment just as if such designation of "agent" did not exist.

BIDDING DISPUTES: Should any dispute arise between or among two or more bidders the auctioneer shall forthwith adjudicate the dispute and his decision shall be absolute, binding and final on all parties. Bids received after the fall of the hammer are not grounds for dispute. Bids received by bid spotters employed by the undersigned are recognized as if tendered to the auctioneer but in case of dispute the bidding will be reopened for advanced bids by the contending parties through the auctioneer alone. If there be no advance the horse is sold to the person from whom the auctioneer recognized the last bid. Should the recognized bid be reduced below the bid at point of dispute then the bidding will be opened up to all parties.

TITLE, RISK AND DELIVERY: Title passes to the purchaser at the fall of the hammer at which time the buyer assumes all risk and responsibility for the horse. Purchaser or his representative may take custody and control of the horse immediately at the fall of the hammer but such taking shall not constitute delivery of the horse, which will be made only after the purchaser presents himself to the cashier of the undersigned to make satisfactory settlement. Purchaser must so present himself within thirty minutes of the conclusion of the sales session in which the horse is sold. After delivery the purchaser shall remove the horse promptly and shall be subject to stabling charges should they fail to do so.

TERMS FOR SETTLEMENT: Make the settlement with cashier of the undersigned only. Payments to others, including consignors or their representatives, are not recognized as settlement. Purchasers may make settlement in the form of Canadian currency, certified, travelers or approved bank cheque unless credit has been arranged prior to purchase. Bidders are cautioned that approval of credit for previous sales does not establish credit for this sale.

DEFAULTERS: Purchasers who fail in any respect to pay for horses as provided above, or purchasers who pay with cheques that are not honoured when presented for payment, shall be declared in default and action will be taken against such defaulters for the amount owing plus the cost of litigation. In addition to the forgoing, purchasers agree that in the event of a default of payment for a horse, such a horse may be repossessed and resold by the undersigned at public or private sale without notice and any costs shall be the first charge against the proceeds.

WARRANTY OF SOUNDNESS: Unless otherwise announced at the time of sale, there is no guarantee of any kind as to the soundness or condition or other quality of any horse sold in this sale except the horses that are unsound in the eyes, or have been nerved, or are "cribbers" or "wobblers" must be so announced.

RIGHT OF RETURN: Any horse sold in this sale whose condition must be announced as provided for above, and is not so announced, shall be subject to immediate return with reimbursement of the purchase price and for all reasonable expenses incurred by the purchaser from the fall of the hammer provided that immediately upon finding or learning such a defect the purchaser notifies the undersigned in writing with a veterinary certificate attached, such notification to be received within seven days of the date of sale. All warranties of whatever sort shall terminate seven days from date of sale after which the purchaser shall have no right of return for any reason whatsoever.

ANNOUNCEMENTS: The auctioneer is not responsible for any statements made in this catalogue or from the auction stand concerning horses listed herein, nor for any warranties expressed or implied on their behalf. Horses sold are listed in the catalogue with their engagements and produce records listed herein or as announced at the time of sale, such information being as presented by the consignor to whom only shall purchaser look for redress in case of omission or error. Announcements from the auctioneer stand shall be deemed to supercede information contained in the catalogue. The undersigned shall endeavour to have all catalogue information correctly stated but the consignor is responsible for any correction of errors or omissions.
