## Christmas Horsey Craft

### What you'll need:

- \* Poster board
- \* Scissors
- \* Hole punch
- \* Pencil
- \* Circle patterns
- \* Gold metallic spray paint
- \* Uncooked Pasta (fun shapes)
- \* Glue
- \* Photo (of your favourite horse)
- \* Ribbon (optional)

### How to make it:

1. Draw a circle on the poster board about 4" in diameter (use a tin can, butter tub lid, etc. for a pattern).
2. Draw a smaller circle in the middle of the first one - make it a size (opening) that will fit your photo.
3. Cut out both circles to make a wreath shape.
4. Use a hole puncher to make a hole for hanging.
5. Glue on various pasta shapes (shells and bows work beautifully) to make a pattern on the wreath.
6. Let dry overnight.
7. Spray paint the ornament with gold metallic paint.
8. Let dry completely.
9. Add your name and date to the back of the picture.
10. Glue or tape the photo onto the back of the ornament so that it will show in the center of the wreath.
11. Attach a decorative ribbon if desired.
