THE NEW HOME OF..

SOUTHWIND LYNX p,2,1:51.4; 3,1:48.3 (\$1,763,830)

(Real Artist - Luxury Class - Jate Lobell)

Grand Circuit winner at two.

\$1 million Meadowlands Pace and \$1 million Art Rooney winner at three.

The last three horses to win two \$1 million races in one year are Well Said (Stud Fee: \$15,000), Rocknroll Hanover (Stud Fee: \$20,000) & Southwind Lynx (Stud Fee: \$4,000)

"Lynx had the determination that allowed him to win not one but two million dollar races at three. A very durable horse he could keep on racing tomorrow. And he has a great maternal line to go along with gorgeous looks. I'll be breeding four or five mares myself including Rainbow Blue."

...trainer George Teague

"What a fast horse – if he came off cover he could just swoop the field. I always liked his size – not too big, not too small which maybe made him so durable and able to get around every sized track. I'll take another like him any day."

...driver Tim Tetrick
