

KEVIN BEHM

Edmonton, Alberta

Nominated as: Track Director, Western Region

Director of Racing at Northlands Park.
Director Harness Tracks of America.

Born and raised in Alberta I have been a part of the horse racing industry all of my life. Growing up our family was active in the racing side of the business running a small stable in western Canada.

I have been an employee with Northlands Park for 20 years and currently hold the position of Director of Racing for our company. I believe that it is necessary for our industry build consensus among partners that will guide harness racing to thrive and prosper.
